Title: Atonement *in* Symbols: Part 2

Memory Text: " 'Let us go to his [God's] dwelling place; let us worship at his footstool' " (*Psalm 132:7, NIV*).

Thought: The Israelite sanctuary was cleansed once a year from the sin and impurities of Israel, which were transferred there through the daily sacrifices. The yearly ritual symbolically represented the time when God, from His heavenly dwelling place, would bring an end to the problem of sin and restore the whole universe to its original harmony. During the week, we studied not only the symbolic meaning of the Day of Atonement but also how the Israelite sanctuary pointed to God's heavenly dwelling, the throne room of the universe. We will also be discussing the priests in the Old Testament and how their work of mediation prefigured the work of Christ as our Mediator and Intercessor in the heavenly sanctuary.
